Beneficiary Designation

General Instructions

- This form is used to name a beneficiary of your retirement account(s) in the event of your death.
- · You may name one or multiple beneficiaries. If you name more than one beneficiary, they will evenly split your
- benefits at the time of payment.
- For additional information on naming beneficiaries or about death benefits, please utilize ERSRI's online resources at www.ersri.org.

Purpose of Primary and Contingent designations

- **Primary beneficiary:** A primary beneficiary is the person who will receive your benefits upon your death. You can name multiple primary beneficiaries, and ERSRI will split your benefit among all named primary beneficiaries.
- **Contingent beneficiary:** If you have named a primary beneficiary and they predecease you, you can instruct ERSRI to pay a different person in the event of your death. A contingent beneficiary will only receive benefits if all named primary beneficiaries have died. Otherwise, your benefits will be split among the remaining primary beneficiaries.

Purpose of the Benefit type

If you are an active member, ERSRI pays two separate benefits to your beneficiaries at the time of your death. The first is a refund of your contributions, and the second is a death benefit based on your years of service.

- 1. **Refund Benefits:** This refund of your contributions is paid to the beneficiary(ies) as a lump-sum (one-time) payment. To see how to have your beneficiaries paid with an annuity, see *What is Optional Annuity Protection?* below.
- 2. **Death Benefit:** This lump–sum (one–time) benefit is paid to named beneficiary(ies) based on your years of service, as recorded by ERSRI. Active ERSRI members are entitled to a death benefit of \$800 per year of service, up to a maximum \$16,000. This amount reduces 25% each year after you retire, down to a minimum \$4,000.

What is Optional Annuity Protection (OAP)?

Optional Annuity Protection is a way to provide your beneficiary with the option of receiving a monthly annuity benefit, rather than a one-time refund of contributions if you die while you are still working (prior to retirement).

- OAP eligibility: Active members with at least ten years of contributing service credit on or before June 30, 2012 or at least five years of contributing services on or after July 1, 2012 are eligible to elect OAP.
- OAP beneficiary designation:
 - If you have named a spouse or domestic partner (domestic partners will be asked to certify by affidavit that they meet the criteria set forth in state statute) as your beneficiary, he/she is automatically eligible to receive an annuity when you die, even if you do not check the OAP box on this form.
 - If you would like a different person to be eligible for an annuity, you must specify it on this form.
 - If your OAP beneficiary predeceases you, your benefits will revert to your estate unless you choose a contingent OAP beneficiary.
 - · OAP is a benefit for active members. An OAP designation is void upon your retirement.
 - · State police, judicial, general municipal, police & fire members may not elect to have multiple beneficiaries
 - · for the OAP benefit.

ATTENTION! If you are a Police/Fire member, marking the OAP election may result in lower benefits to your spouse or domestic partner.

Instructions for selecting an organization as a beneficiary

If you want to add an organization as a beneficiary, then you must give all the necessary information including organization name, benefit category, benefit type and organization tax identification number (TIN).

Beneficiary Designation

Examples for naming beneficiaries

Simple cases: single beneficiary

If you only wish to name one person as a beneficiary of your retirement account(s), list them as a Primary Beneficiary, and check both the Refund and Death benefit types. This person will receive all of your contributions and death benefits. If the person is your spouse, you do not need to specify the OAP election, since they will automatically be eligible depending on your amount of service. If the person is a child, you may choose to elect them for the OAP by checking that box on the form. Your child will have a choice of a lump-sum payment or an annuity upon your death.

Family cases: multiple beneficiaries

Now assume you have a wife and two children. You may want to specify that all of your benefits be paid to your wife upon your death, but you want to look out for the children in the event that you and your wife die simultaneously.

First, specify your wife as primary beneficiary, and select Refund and Death benefit types. If you die, your wife will receive all of your benefits. Next, list your two children as contingent beneficiaries. Choose whether you want your children to be able to split an annuity or split a lump–sum payment by selecting the OAP column. Next, mark both of your children as recipients of your Refund and Death benefit payments. This will split all of your benefits evenly between them.
